

**I'm
defining
possible.**

Northrop Grumman: Florida A&M STEM “A Day in the Life” panel Discussion

When: Wednesday, February
25th, 2026

Time: 5:30pm EST

Location: Florida A&M Campus,
Commons Bldg. Room 103

Details: Join us for the opportunity to connect and network with Northrop Grumman staff over a fun and informational panel discussion. Let us help you define possible in your career

Pre-Register Here:

Students interested in an internship or entry level opportunity with Northrop Grumman should have an updated digital copy of their resume ready to upload via pre-registration

Note: Registering and/or uploading your resume does not guarantee an internship or job. Our opportunities and your skill set must align. If you are a match for a role, you will be contacted to schedule a virtual interview
