

# Undergrad Internship Opportunities at ORNL

Learn about Oak Ridge National Laboratory's many opportunities for summer internships and other student programs aimed at undergraduates and recent graduates. The session will give you an idea of different research areas and give you the keys to a successful application, plus give you information on multiple Summer 2026 internship opportunities.

**Applications for Summer 2026 open in October.**

**OCT. 15, 2025  
12:30 PM  
IRCB 1030**

**Save your seat & pizza  
by Oct 10**
