UNLOCK YOUR FUTURE: Career Paths for STEM Graduates

Explore the limitless possibilities in STEM. Whether you dream of a career in medicine, aspire to be a lab scientist, see yourself in university administration, or aim to climb the corporate ladder, there's a path for you.

Speakers:

- VP for Research Stacey Patterson, Ph.D.
- College of Medicine Dean Alma Littles, MD
- MagLab Director Kathleen Amm, Ph.D.
- Director of Laboratory Animal Resources William Hill, DVM
- Associate VP for Strategic Partnerships and Innovation Valerie McDevitt, J.D.
- FAMU-FSU College of Engineering Professor David Larbalestier, Ph.D.
- TMH Associate Program Director; Core Faculty, Family Medicine Residency Matthew Standridge, MD

Friday, October 24, 2025

10 a.m. – 12 p.m.
