

Eric and Wendy Schmidt AI in Science
Postdoctoral Fellowship

2027 APPLICATIONS NOW OPEN!

The Eric and Wendy Schmidt AI in Science Postdoctoral Fellowship, a program of Schmidt Sciences at UC San Diego, will be welcoming applications from qualified PhD candidates and Postdoctoral Scholars to join the 2027 cohort. Leveraging UC San Diego's place at the forefront of AI research to train the next generation of scientific leaders pioneering the use of AI in STEM, this two-year fellowship annually supports 20 postdoctoral scholars in the engineering, natural, and physical sciences as they learn and apply AI methods to their research.
