Please submit your application by February 15, 2019 to ensure consideration for the scholarship. Each applicant is only required to submit one application in order to be considered for all Foundation scholarships available. If permitted by the applicant, each application may be passed to other engineering entities for scholarship consideration as well.

To be eligible, a candidate must be entering his or her Junior or Senior year in a Florida University Engineering Program, have at least a 2.5 grade point average on a 4.0 scale, be recommended by an engineering faculty member, and be a United States citizen or resident of the State of Florida.

Students who meet the eligibility requirements should complete this application and submit by February 15, 2019 to your local Chapter representative. For contact information of your local chapter representatives see the ‘Contact’ link on the Big Bend FES website http://fesbigbend.weebly.com/.

A transcript and letter of recommendation from an engineering faculty member must also be submitted with the application in a separate sealed envelope. Applications will be reviewed by the Chapter Executive Committee and the finalist will be notified by email. The scholarship will be presented at the annual Engineer’s Week Banquet on February 22, 2019.

Please submit applications and transcripts to the following email: Josh.Jenkins@egs-us.com or by mail to the following:
