A one-day hackathon, **Build Day Saturday, February 29.**

College and University News

Women in Aerospace Foundation Scholarship 2020-2021

The **WIA Foundation** is pleased to provide four merit-based scholarships to women interested in a career in the aerospace field to pursue higher education degrees in engineering, math or science. The awards will be given to rising juniors or seniors in college, to be applied during the upcoming academic year.

To be eligible for the WIA Foundation Scholarship, an applicant must be interested in pursuing a career in the aerospace field and be a rising junior or senior, working towards a bachelor's degree in engineering, math or science. The following is a complete list of eligibility requirements.

Scholarship Deadline June 16, 2020

Winners of this scholarship opportunity in addition to receiving a monetary award for tuition, will also have the chance to attend the **Annual WIA Awards Dinner & Ceremony** held on **October 15, 2020** at the Ritz-Carlton in Pentagon City.

If you are interested in learning more about the WIA Foundation and its scholarship

opportunities, please visit the [Foundation website](#).

A direct link to the application form can be accessed by [clicking here](#).

Please contact us by phone at 202-547-0229 or by [email](#) if you have further questions or concerns.

10 Security Tips for Everyone at FSU

Do your part to protect FSU

Every 14 seconds a business falls victim to a ransomware attack (Cybersecurity Ventures). That's why **Information Technology Services** is counting on you to help defend FSU against cyberthreats. Whether it's protecting our passwords or thinking twice before clicking an email link, we all play an important role in keeping FSU safe. Get some tips on basic cybersecurity and pledge to do your part.
