College of Engineering Course Late Drop/Withdrawal Request Policy (effective Fall 2017):

I understand that under the policies set forth by the FAMU-FSU College of Engineering, all pre-engineering students and students classified as Lower Division (less than 60 hours) by FSU, are limited to a total of two (2) "late drops" only. Students who reach their "two late drops" limit will NOT be permitted another late drop until they enter their intended engineering major and for FSU students leave Lower Division. Students who are coded in a degree granting engineering major and are classified as Upper Division by FSU are permitted a grand total of three (3) "late drops" only. I further understand that no drops will be approved after the late drop deadline of the semester except in documented cases of administrative error, personal illness, death of an immediate family member, military service obligation, or other extenuating circumstance. Dropping a course does not remove fee liability. Students are not permitted to drop a course if there are pending charges or imposed sanctions for an Academic Honor Policy violation.

(initials) I attest that there are no pending charges for Academic Honor Policy violations being held against me nor have any sanctions been imposed for this course.
