Course Withdrawal Process for FAMU Engineering Students

Withdrawing from your class or classes after add and drop period has some implications. For example, you may not be eligible to receive financial aid this term or future terms; you may not be eligible to retain your scholarship or continue at FAMU as an athlete. Before deciding to withdraw from a class, please meet with your Academic Advisor to review your student record and assess your options.

Information you need to know and the process:

- There is a limit in the number of courses from which a student can withdraw in his/her entire undergraduate career. This does not include term withdrawals or retroactive withdrawals due to extenuating circumstances. Please see the course drop/withdrawal policy of the College of Engineering on the academic deadline page https://eng.famu.fsu.edu/students/academic-deadlines.
  - During the 7 week course drop/withdrawal period (after the drop/add deadline), email your name, EMPLID, and the course/s you wish to withdraw from to studentsupport@eng.famu.fsu.edu for approval. If approved, a WDR service indicator will be placed on your record and a Course Withdrawal Request link will be available on your Student Center in iRattler. Click on the link to process your course withdrawal (see screenshot instructions below to complete the withdrawal).
  - During the late drop/withdrawal period (after the 7th week deadline and before the late drop deadline), fill out and email the Course Late Drop/Withdrawal Request Form that can be found on https://eng.famu.fsu.edu/sites/g/files/upcbnu1751/files/pdfs/Course-late-drop-withdrawal-request-form-%28Fall-2019%29-Fillable.pdf to studentsupport@eng.famu.fsu.edu for approval. If approved, a WDR service indicator will be placed on your record and a Course Withdrawal Request link will be available on your Student Center in iRattler. Click on the link to process your course withdrawal (see screenshot instructions below to complete the withdrawal).

- Students who withdraw after the add/drop period but before the late drop/withdrawal deadline will receive a W grade. The W grade is not factored in GPA calculation.
- Students who stop attending and fail to officially withdraw will receive WF grade. WF grade has the same effect as F grade.
- Please contact your Academic Advisor for additional information.

Note: Students receiving financial aid (Scholarships, Pell, and Loans etc.) should check with the financial aid counselor/officer before withdrawing below full time status.
