

FAMU-FSU Engineering

Department of Civil and Environmental Engineering

Academic Advising Form

Name: _____

Student ID: _____

E-mail: _____

University: _____ FAMU _____ FSU

Advising holds are placed on student registrations every semester. The advising session provides an opportunity to receive feedback on course plans for the subsequent semester. You must see your advisor to have your hold removed. After getting your advisor's signature, submit form to the main Civil Engineering office in Room A129 or email to thardaway@eng.famu.fsu.edu OR civil-ug@eng.famu.fsu.edu.

Courses Approved for _____ Term 20 _____

Course No	Course Name	Sec.	Hrs.

Approved By: _____ Date: _____

It is incumbent upon the student to verify and follow pre- and co-requisite requirements for all courses in which they enroll, as well as the requirements of their academic map. I understand that I am responsible for any changes to the above schedule. I also understand that I will be dropped from courses for which I do not meet pre- and co-requisites, regardless of whether the course is listed above.
